

Amendments to the Drawings:

Figure 4 stands objected to because it does not include reference signs. The amendments to Figure 4 have necessitated amendments to the specification. These amendments can be found on page 10, lines 5-24 of the substitute specification.

A replacement drawing sheet of Figure 4 is included with this response. Applicants respectfully request that the Examiner review and approve the drawing changes prior to Applicants preparing and submitting formal replacement drawing sheet(s). Applicants will submit formal drawings for Figures 1-6 after receiving approval for the amendments to Figure 4 from the Examiner.
